Stained glass beginners' workshops.

These workshops give you the opportunity to learn the basic skills of the copper foil method of stained glass making. You will learn to cut the glass, wrap the edges in copper foil, and solder the pieces together. A choice of suitable designs will be provided for you to create a piece of work to take home.

The dates for 2010 are:-

Saturday 24th April

Saturday 26th June

Saturday 28th August

Saturday 23rd October

Saturday 22nd May

Saturday 24th July

Saturday 18th September

Saturday 20th November

Fusing beginners' workshops.

These workshops give you the opportunity to learn the basic skills of using float glass powders, spectrum COE96 and dichroic bullseye glass with which you will make a wall hanging, coaster and piece of jewellery to take home.

The dates for 2010 are:-

Saturday 6th March

Saturday 8th May

Saturday 14th August

Saturday 10th April

Saturday 12th June

Saturday 9th October

All the workshops begin at 10am and usually finish between 3pm and 4pm. We will have a break for lunch; you may wish to visit our on-site café. I will provide hot drinks throughout the day. The cost is £50 which includes all the materials you will need. Places are limited to 4 per workshop.

If you would like to enrol on any of the above dates please complete and return the slip below, enclosing a £10 deposit to secure your place. For health and safety reasons, workshops are not suitable for people less than 16 years of age or pregnant women.
